Thank you for allowing us to use your  
stunning home. This is our 28<sup>th</sup> year  
spending a week at Green Lake and your  
home is the best we've experienced. From  
the beautiful kitchen to the screened porch  
with the perfect view to the dock that fit us  
all, everyone found something to enjoy. We had  
four generations spanning three to 85 years  
old and we were grateful for another wonderful  
week spent in our family's favorite place in  
the world.

For 30 years (!!!) we've gathered for a family vacation at Green Lake, spanning five generations. This year there is a new great grandson, Winston Richard, so we range from four months to 87 years.

We swim, ski, boat, and always end up on your spacious deck for fun and games. Can't wait to see what the little ones will do next year!

Yours until 2018,

P.S. We enjoyed meeting your wonderfully gracious neighbors, the Ericksons

Like the song says "Almost Heaven" but we're talking about your home on Green Lake. You have given us a chance to get away and have such fun. The home is beautiful and so are the views from the home. All of us have so enjoyed your porch that we spent most of our time out there. We thank you from the bottom of our hearts for your generosity to our great friend, Toby. She, in turn, has allowed us to share in her good fortune. May God bless you and your family and thank you again for sharing your treasure.
